## ATHLETICS CLINIC

In weeks 6-9, Year 3-6 students are participating in athletics clinics. They will focus on skills such as running, jumping, throwing, etc... The activities will vary for the different year levels but they will always be great fun. If athletics is not your, 'song and dance', that's ok because you can still at least, 'give it a try banana pie!' awe would be surprised if the majority of the students don't have a blast! Please, give it your best shot, give it your all, give 100% and make sure to smile! Have fun - think DEADLY thoughts (Success helper thinking). As the clinics run over a couple of weeks there'll be lots to learn! Again, have fun, use your success helpers and stay safe out there!
