RSPCA VISIT

On Monday and Wednesday last week the Reception to year 3/4s were very lucky to have Deb from the RSPCA come and talk to our class about the wants and needs for animals. Students asked lots of questions and learnt lots about what animals need.

News from Room 8

Magic Potion

When learning about measurement why not make a magic potion? We had to make a 1L potion with different ingredients using correct ml measurements.

Chameleon Art

After reading a short text on chameleons we talked as a class about camouflage and the colours chameleons take on. They were so interested we decided to do an art project.

Bridges of Measurement

Centimetres, millimetres, millilitres, grams, what do all these have in common? Yes measurement... So many successes! Holding mass, volume of liquids and constructing to a size, we learned it all!
