CLASS PLACEMENT 2024

As the end of the year approaches, we are beginning our class placement process for 2024. You have the opportunity to contact us to make any special requests to benefit your child's learning and/or social development. You may not request particular teachers, as these can't be confirmed yet. Please make these requests privately by emailing: dl.0935.info@schools.sa.edu.au.

Requests must be submitted by Friday Nov. 3rd.

It is also very helpful if you let us know if you intend for your child/children to leave the school next year.

BREAKFAST CLUB

Every student is invited to our breakfast club!

When: Every School Day 8.30am - 8.50am

Where: Downstairs STEM Kitchen Area

What: Toast with spreads, milk and fruit.

Children that eat a healthy breakfast are happy, friendly, are able to concentrate and have a much greater ability to learn. *Let's have a healthy start to everyday! Come join us!*

AUSTRALIAN DENTAL FOUNDATION- REMINDER TO RETURN FORMS

Australian Dental Foundation – 'My School Dentist' program, are collecting all the forms on Wednesday 1st November. Please return them by Wednesday.

Government of South Australia
 Department for Education

Specialist Teachers Term 2

Health and Physical Education – Dylan Smith

Welcome to Term 4 students and families.

During Term 4, the JP classes will consolidate their work in fundamental movement skills, working to master the skills we have been practising for the duration of the year. Students will also participate in some Gymnastics sessions with Tri Skills in weeks 5 and 6. In Health and Well-being, will continue to work through the Child Protection Curriculum. This term will see us moving through Focus Area: 3 and 4, Recognising and Reporting Abuse, and Protective Strategies.

In the middle and upper years, students will be consolidating their learning in 'Games over Time' and 'Fitness Fun' with Summative Assessment Tasks, while learning all things "Striking and Fielding" with practical sessions in Cricket, Baseball and T-Ball. As part of the child protection curriculum, we will be completing Focus Area 3 and 4: Recognising and Reporting Abuse, and Protective Strategies.

If you have any further questions, please feel free to contact the school.

Yours in Health and Fitness Education

Dylan Smith

Auslan – Tim Clark

As we enter Term 4 it is incredible to reflect on how far so many of our students have progressed on their journey learning Auslan. At the beginning of the year the vast majority of our students had no experience or knowledge of Auslan or using sign languages. As we enter the last term of the year it's great to see that now the majority of our students have developed the skills to use the signs they know effectively and have started building up their sign knowledge, vocabulary and confidence signing.

This term junior primary classes will continue to participate in their practice routines and will be introduced to new challenges and activities that will support the development of their signing for effective communication.

Middle and Upper primary classes will continue to work towards using their fingerspelling signs for fluent communication. They will also be challenged to grow their vocabulary and develop new ways to practice and share their skills and knowledge with others.

Digital Technology – Ryan Johnston

I am Ryan and I am the Digital Technologies teacher for Term 4.

We have some exciting plans coming in the coming weeks as students explore the world of Virtual Reality (VR). Lower Primary will be using the first weeks to build their computer knowledge in simple functions such as Microsoft formatting, saving, etc. Later in the term, they will have the chance to explore some wonders of the world using our VR goggles. Upper Primary have started looking into the function of VR and how it is used in modern day society both for entertainment and education. Later in the year, we will transition into some robotics as a follow-up to last terms coding topic.
