## STUDENT EXECUTIVE TEAM

On Thursday the Student Executive team attended the Youth Leadership Conference, at the Adelaide Convention Centre. It was called 'Dream and Lead'. We all sat down and listened to Amanda and Bonnie give us advice on leadership. Some students were asked to stand up and show confidence by providing answers in front of the crowd, including over 500 students. During the breaks we were lucky enough to see the Adelaide Oval and the River Torrens. We listened to many inspiring stories, including Alexis McDonald who created an App at a very young age and has become very successful, as well as Felicity Grahams, a young Year 10 student leader. A memorable quote from the conference that has stayed with us was "your age doesn't matter".

# Room 9

In Room 9 we have been spending time playing maths games to work on our number fluency and problem-solving skills. We have been working on understanding how to win and lose, use strategy, take turns and sharing.

## Sentence Construction

We have been working on making sure our sentences have full stops, capital letters and make sense when we read them.
